matter nor is it that they are not ready to do it. I may be permitted to say, for the information of this House, that the Proceedings for the first two or three days only of the Kumbham sitting have been published by the Government Press. The Government Press is very heavily working, even four hours over time. There are about 100 people working there. If you want more men, more accommodation and more machinery will have to be brought and then only can the Council Proceedings be attended to with as much quickness as is desirable. Unless these Proceedings are forthcoming, the Government cannot really go into the details of the speeches and all the discussions that have been going on. When they are forthcoming, they will be attended to.

117. **Mr. Thomas Manjuran.**—Will the Government kindly place before the House statistics and reasons referred to and asked for in the previous question but with reference to the First Council?

Rama Varmha Tampuran.—Seventeen passed, 10 accepted, 2 rejected, and the rest under consideration.

Mr. Thomas Manjuran.—The same question, but in this connection there is a difference. I am referring in connection with the First Council. There we find 5 resolutions still pending of the First Council. May I know whether the same reasons, that were given to the supplementary question to the other, hold good here also or whether there are any special reasons?

Rama Varmha Tampuran.—It is because of the difficulty of the subjects. They are under consideration, especially with reference to the correspondence between the several Departments.

118. **Mr. K. T. Mathew.**—Will the Government be pleased to lay on the Table a printed list of resolutions passed by the Council but regarding which the Government have not till the end of last month passed any orders, giving the dates on which the resolutions were passed, the names of their movers and the reason for not passing the orders?

Rama Varmha Tampuran.—Vide Appendix VIII (c) of the answer to question No. 602 of the Legislative Session of 1104. Orders on resolution No. 15 of the list in that appendix have however been since issued in D. P., dated 28th April 1929, C. No. 59/00. The list as called for with regard to the resolutions passed at the last Kumbham and Meenam meetings is appended. (*Vide Appendix II.*)

Cuts carried in the Council.

119. **Mr. Thomas Manjuran.**—Will the Government be pleased to state:—

Supplementary Grants.

1. VII—Registration—Cranganur—Rs. 67.

Rama Varmha Tampuran.—Sir, I rise to move for an additional allotment of Rs. 67 under 'VII—Registration—(b)—Establishment of District Registrar, Cranganur'.

The original budget grant under the Head comes to Rs. 1,903 including leave allowance. This has become insufficient as some of the officers of the Registrar's staff availed themselves of more leave than anticipated. I beg to request that the allotment may be voted by the House.

Question proposed: "*That the supplementary grant of Rs. 67 under "VII—Registration—Cranganur" be carried.*

Question put and agreed to.

2. X—Law and Justice—Service Labels—Cranganur—Rs. 100.

President.—The next is the motion by the Secretary to the Diwan for an additional allotment under 'Law and Justice.'

Rama Varmha Tampuran.—Sir, I rise to move for a supplementary grant of Rs. 100 under "X—Law and Justice (g) Service Labels—Cranganur".

The grant is necessitated by an increase in the number of processes sent to the parties direct by anchal, the amount levied from the parties therefor being credited and shown as Departmental receipts. The original provision under the head was only Rs. 175. A sum of Rs. 50 was subsequently transferred to it from 'Miscellaneous' under the same major head. The allotment thus supplemented has also run out, and a sum of Rs. 100 more is necessary for meeting the actual requirements of the rest of the year. This amount is proposed to be made up by a transfer from the provision made for District Munsiff, where savings are available owing to the posting of an officer drawing only the minimum pay of the grade. The transfer proposed may kindly be voted by the Council.
